Located in Temecula Valley, CA, Falkner Winery is a long time in the making. Their story is one of passion, perseverance and of course great wine.

Falkner Winery produces premium wines with outstanding varietal character from grapes that are grown on the estate and prides itself on producing great blended wines. Wines such as the Falkner Amante is an example of an excellent Super Tuscan style red wine that blends together the superb flavors of Sangiovese, Merlot, Cabernet Sauvignon and Cabernet Franc.

Winemaker Duncan Williams prides himself on producing wines with a "food-friendly, soft" style that are easy to drink and complement food extremely well. Staff members recommend Lobster Mac n' Cheese paired with their Falkner Sauvignon Blanc for a delicious and unforgettable meal.
