WINE CLUB MEMBERS-PLEASE READ

Wine Club Policy Change Regarding Wine Exchanges

Due to an overwhelming number of people who decide to exchange bottles of one particular wine in a shipment for a different wine, we are making a change to our exchange policy effective **August 1st**. We are able to provide great wine club discounts and reward program incentives because of the economies of scale associated with shipping identical bottles of wine to club members which we subsequently lose when bottles are later exchanged. **We will continue to allow exchanges of wine but only for a single bottle in the shipment and only for 30 days after the billing date.** The bottle may only be exchanged for one other

bottle and the exchange value will be the wine club price for the bottle being exchanged and the retail price for the new bottle. Additional funds may be due if the bottle to be purchased is of a higher price than the value of the exchange bottle. However, bottles exchanged for a lesser value wine will lose the difference. We are looking to continue to make changes in the next several months that will provide additional value to your membership. If you have questions regarding this change in policy, please contact Holly in the Wine Club area at 951-676-8231 x109.

Change in Winery Tasting Fees

Falkner Winery has continued to have the same tasting fees for the last 3 years but, due to increasing costs, we will be raising these fees effective September 1st. Our Classic tasting of 4 wines will become \$15 and our Enhanced Tasting of 6 wines that comes with a \$5 wine rebate certificate and a souvenir glass will be \$20. This makes your wine club membership even more valuable since VIP Members and their 3 guests receive free tastings (a \$80 value) and Connoisseur Members and their guest also receive free tastings (a \$40 value). Upgrade your membership to one of these Clubs and enjoy this additional value.
